

Thermo Credit, LLC Provides Factoring Facility to SiteSol Inc.

NEW ORLEANS, LA – Thermo Credit, LLC has provided a \$300,000 factoring facility to SiteSol, Inc.

The California-based contractor specializes in communications site construction and is an approved vendor for T-Mobile, Verizon, Ericsson and others. The company plans to use the funds for business growth and working capital.

Thermo’s Executive Vice President Seth Block commented, “SiteSol is poised to have tremendous growth in 2017. We are excited to partner with them to facilitate that growth.”

Peter Glaeser, Sitesol’s president stated, “We are excited to partner with Thermo Credit. This factoring facility will be used as a financial tool to allow us to cycle our operating capital back into production costs for a more rapid growth. Thermo’s unique method of operations allow us to use this tool in the wireless communications industry. We know of no other factoring company that would allow us to partner with them in this industry.”

About Thermo Credit, LLC

Thermo Credit is a privately held funding company that provides asset based loans, accounts receivable financing and factoring services primarily to the communications and technology industries. Thermo Credit serves established, well-run companies that need capital to expand their business, improve their operations or fund an acquisition.
